**Subject:** updated briefing paper on NOI

I understand from Tom that Sylvia will be taking the lead for tomorrow's 2pm briefing for Jared on the NOI.

In the attached document I've pared back the briefing paper prepared for last Thursday's Joel Beauvais briefing, with the intent of leaving out some background that Jared probably doesn't need. Although it sounds like Sylvia expects this to be a very short briefing, likely not covering the level of detail provided to Joel, it could be useful for Jared to have a written document describing the issues/options here. Please look this over and make any necessary edits with the goal of having a document ready to provide to Jared tomorrow at 2pm.

John Kemmerer, Associate Director

Water Division

U.S. EPA Region 9
